FROM THE IRISH MAGAZINE.

## THE OCEAN.

Likeness of Heaven!  
Agent of power!  
Man is thy victim,  
Shipwrecks thy dower!  
Spices and jewels  
From valley and sea,  
Armies and banners  
Are buried in thee  
What are the riches  
Of Mexico's mines,  
To the wealth that far down  
In the deep water shines?  
The proud natives that cover  
The conquering west—  
Thou fling them to death  
With one wave of thy breast.  
From the high hills that view  
Thy wreck making shore,  
When the birds of the mariner  
Shrieks at thy roar;  
When like lambs in the tempest,  
Or mews in the blast  
O'er thy ridge broken billows  
The convass is cast.

How humbling to one  
With a heart and a soul  
To look on thy greatness  
And list to its roll;  
To think how that heart  
In cold ashes shall be,  
While the voice of eternity  
Rises from thee!  
Yes! where are the cities  
Of Thebes and of Tyre?  
Swept from the nations  
Like sparks from the fire;  
The glory of Athens,  
The splendor of Rome,  
Dissolved—and forever—  
Like dew in thy foam.

But thou art Almighty,  
Eternal—sublime—  
Unweakened—unwasted—  
Twine brother of Time!  
Fleets, tempests, nor nations  
Thy glory can bow;  
As the stars first beheld thee  
Still chainless art thou!  
But behold! when the surges  
No longer shall roll,  
And that firmament's length  
Is drawn back like a scroll;  
Then—then shall the spirit  
That sighs by thee now,  
Be more mighty—more lasting,  
More chainless than thou.

**FEDERAL DEFINITIONS.**—The People—Muscular machinery—brute force, which can be restrained only by keeping them down by hard labor, of the fruits of which, they are to receive just enough to keep the labor machine going.  
A Farmer.—An animal with "huge paws."  
Ignorance and Profligacy.—Disbelief in the purity and infallibility of Nic Biddle.  
Liberty and Equality.—The power of the few to govern the many.  
Dark regions.—The agricultural portions of the country.

**RAIL-ROAD ACCIDENT.**—We have just been informed by a gentleman, who was a passenger at the time, that a few days ago, the steam boiler attached to the locomotive on the Rail-Road in Virginia, between Petersburg and Weldon, exploded, killing the engineer and fireman. The former was literally crushed to atoms; the latter (a colored man) was also killed instantly. The want of a sufficiency of water in the boiler is supposed to have caused this accident. None of the passengers were injured.—*Balt. Clipper.*

**BEAUTIES OF FEDERAL WHIGGERY.**  
We ask the attention of our readers to the following item, which is selected from the New York Commercial Advertiser, a very pious federal whig journal:

"Marriages are becoming common between low-lived tailors, blacksmiths, and other filthy mechanics. This is a radical democracy—one of the fruits of republicanism."

There it stands in its superlative infamy, a mark of abhorrence and unequalled detestation. Here is to be seen the genuine spirit of federal whiggery—this is the estimation in which the leaders and organs of that party hold all those who obtain their living by honest industry, unless it be a few days previous to an election, in order to secure their votes. If the federal party had their way, the mechanic and working man would be treated with no more respect than a woolly-headed, thick-lipped African negro. And yet there are many honest, well meaning mechanics who support the whig party—when they are their uncompromising enemies. It is a matter of wonder to us how a farmer or mechanic can allow himself to rally under the black banner of federal whiggery.—*Old Dominion.*

**ON COMMISSION.**—About TEN THOUSAND Pounds very prime Bacon, raised by one of the best Farmers in Wake County.

## DRUGS AND MEDICINES.

SIGN OF THE

GOLDEN MORTAR.

WILLIAM H. MASON & CO.

HAVING purchased the entire stock of Messrs. T. S. Beckwith & Co. have commenced the APOTHECARY business at the stand formerly occupied by them on Fayetteville street, 2 doors North of W. & A. ST. N. where they have just received a further supply of DRUGS, MEDICINES, GLASS, OIL, PAINTS, DYE-STUFFS, and PERFUMERY, TOGETHER WITH GENERAL ASSORTMENT OF FANCY ARTICLES, which they will dispose of on the most reasonable terms. Merchants and others can be furnished with Patent and other medicines on as reasonable terms as they can be got south of the Potomac. Persons would do well to call and examine for themselves. Physicians at a distance, who may favor us with their orders, will have them promptly attended to. No pains will be spared in selecting the best and most reliable preparations, as they are sold by them. One of the firm having been long up to the business, to which he will give his undivided attention, thereby avoiding those fatal mistakes so often occur through incompetency or carelessness, they hope, by strict attention to business to merit a share of the public patronage.

**Holt's Cure for the Tooth-ache.**  
THIS preparation (a wash) is applied to the part affected, and without the disagreeable necessity of extracting the tooth, instantly removes the most excruciating pain. By gargling the throat, it completely remedies cancer sores—a disease prevalent among children. By swallowing a teaspoonful morning and evening, an acid or foul stomach is corrected. It sweetens the breath, and is the best cleanser and preserver of the teeth, now known. Those who desire to obtain this article must be particular to inquire for Holt's Cure for the Toothache, as others are in the market; and he would not wish to assume the merit or efficacy which justly belongs to another. Among the thousands who have used Holt's Cure for the Toothache, no instance is known of its having failed in effecting a perfect cure.  
The following letter, attesting to the efficacy of "Holt's Cure for the Toothache," is from a gentleman well known in the literary world as the author of the "Letters about the Hudson," and other productions of merit; and will, undoubtedly, be read with interest.  
To C. E. Holt.—My dear Sir—It affords me great pleasure to bear testimony to the efficacy of your "Cure for the Tooth-ache." It has been used in my family, and proved entirely successful in giving immediate and permanent relief to one of the most irritating and disagreeable pains that "flesh is obliged to," viz: the tooth-ache.  
FREEMAN HUNT.  
New York March, 1839.

For the Toothache—Hold the wash in the mouth till the pain ceases.  
For Sore Mouth—Gargle three times a day.  
For indigestion—Swallow a tea spoon full morning and night.  
For Cleaning Teeth—Use it with a brush, which also sweetens the Breath.  
The above medicine is for sale at the office of THE NORTH CAROLINA STANDARD. Price 50 cents per bottle—it will be sold at a liberal discount by the quantity.

**REWARD.**—I will give the above reward of Thirty Dollars to any person who will apprehend and deliver to me, or confine in jail so that I can get him, my negro man TOM, who ran away from me about the 6th of February last. TOM is about forty-two or forty-three years old, about five feet five or six inches high, rather light build, of light complexion, almost of the Indian order, lank or hollow jawed, wears his hair combed up in front, when spoken to has a down look; no particular mark recollected, except a scar from a very cut on his right fore finger. It is believed he has with him Free Papers belonging to James Lucas or Locust, who froze to death in January last in the neighborhood; since which his Free Papers have not been found or heard of; and I have no doubt TOM is now passing himself as James Lucas or Locust as a free man. I have reason to believe that he is occasionally lurking about Louisville, as I bought him of Mr. JOSEPH BRIDGES of that vicinity.  
All persons are cautioned against employing, harboring, carrying away, or assisting him to get away, as the law will in every case be rigidly enforced.
